

Why order calendars early?

1 Save Money

Early order pricing ends June 1st. Saving over 17% compared to ordering after September 1st.

2 Guaranteed Inventory

Ensures calendar you select will be in stock.

3 Free Storage

We will store the orders until the fall; at no charge and ship on your specified date.

4 Save on Shipping

Release your calendars from storage in early fall and use the most affordable shipping method.

5 Be First

Most HotLine calendars start in December of the current year, allowing you to secure your customer's wall space before your competition does.

6 Rest Easy

Ordering early means the calendars will be ready when the customer needs them. No worry about when you'll receive your shipment.
